

The Walden Green Montessori School Board is committed to bring our vision, mission, and values to life. The board met and developed a Strategic Plan that would guide decisions and progress. Although the Strategic Plan is posted, it can be difficult to understand and interpret. The board has put together a dashboard to concisely show the 2017-2018 priorities and progress. Any questions can be directed to the Director, Mark Neidlinger.

Excellence in Education

	Exposing our students to the world beyond our doors through work shadow, field trips, high school and college visits.
	2-3% measurable academic growth in Students

Increase Demand / Build Capacity

	Publish newsletters to website and other modes of communication
	Increase Facebook presence and Greatschool hits

Focus on Teachers, Staff, and Administration

	90% retention of Teachers, Staff, and Administration
	Assist Staff in receiving SCECHES toward certification/recertification

Community Engagement

	Annual survey of Walden Green Montessori Community
	Invitation to Guest Lecturers at least twice a year

Financial Health

	Budget aligned with Strategic Plan priorities
	Family & Foundation budget aligned with Walden Green needs

Green	On Track or Complete
Yellow	Need to Review
Red	Alert, need to direct resources
