

February 23, 2015

Dear Walden Green Families:

This particular February seems to be holding on strongly. Please make certain that your children have all the appropriate winter gear (hats, gloves, warm coat, boots, etc.) throughout the remainder of this week. The good news is that spring is less than a month away from us at this point. March 21st is the Vernal Equinox.

Please read below to see what is happening at school these days.

Sincerely,

Mark Neidlinger
Principal
Walden Green Montessori

Family Breakfast will be Rescheduled:

Due to sub-zero temperatures and near whiteout conditions, we cancelled school last Friday, which included Family Breakfast. Hopefully you and your family were able to enjoy whatever dish you had prepared in advance. Since Family Breakfast is a favored tradition it will be rescheduled for the morning of April 17th. Our teachers will circulate more information as the date approaches.

Community Open House Dates:

We are sponsoring three evening Community Open House dates for friends and family that might be interested in enrollment for next school year. If you know of anyone, please let them know they should attend any one of these three dates:

February 24th, 6-7:30pm.

March 24th, 6 – 7:30pm.

April 22nd – 6-7:30pm.

We are excited to welcome new families into our fine school.

Spread the Good Word about Walden Green Montessori:

Parents, we have four quick and easy ways that you can help Walden Green attract new families. Please consider supporting us in the following ways:

- Like us on Facebook
- Write a brief statement about your positive experiences here at Walden Green on www.greaschools.org
- Send friends and family to any of our three Community Open Houses
- Provide us with a name and number of someone who is looking for a great education for their child. We would be happy to follow up.

Walden Green Artists compete at the State Level:

Congratulations go to Evie Bergman and Paige Peterson for their outstanding artwork. Both Walden Green students competed in a regional art show and both have been selected to move onto the state level. State competitions will be decided on March 7th, but in the meanwhile, you can view both pieces of work hanging at the Grand Rapids Museum of Art. We are exceptionally proud of the talented students here at Walden Green.
