

October 17, 2014

Dear Walden Green Families:

We had a beautiful morning for our annual "Trek-for-Tech" campaign. Our route from Walden Green Montessori to Arboreal was full of Michigan's peek color; we had the perfect day to enjoy this community event.

Many "thanks" go out to our Foundation Group, our PIC (parent involvement committee), Arboreal Restaurant for allowing us the use of their parking lot and Meijer Thrifty Acres for their generous donation of cookies at our mid-way point. A very special thank you also goes to the moms and dads that joined us on our walk this morning and helped guard our safe crossing.

Please enjoy the weekend ahead. I hope to see everyone next week Friday for Family Fun Night.

Sincerely,

Mark Neidlinger  
Principal
