

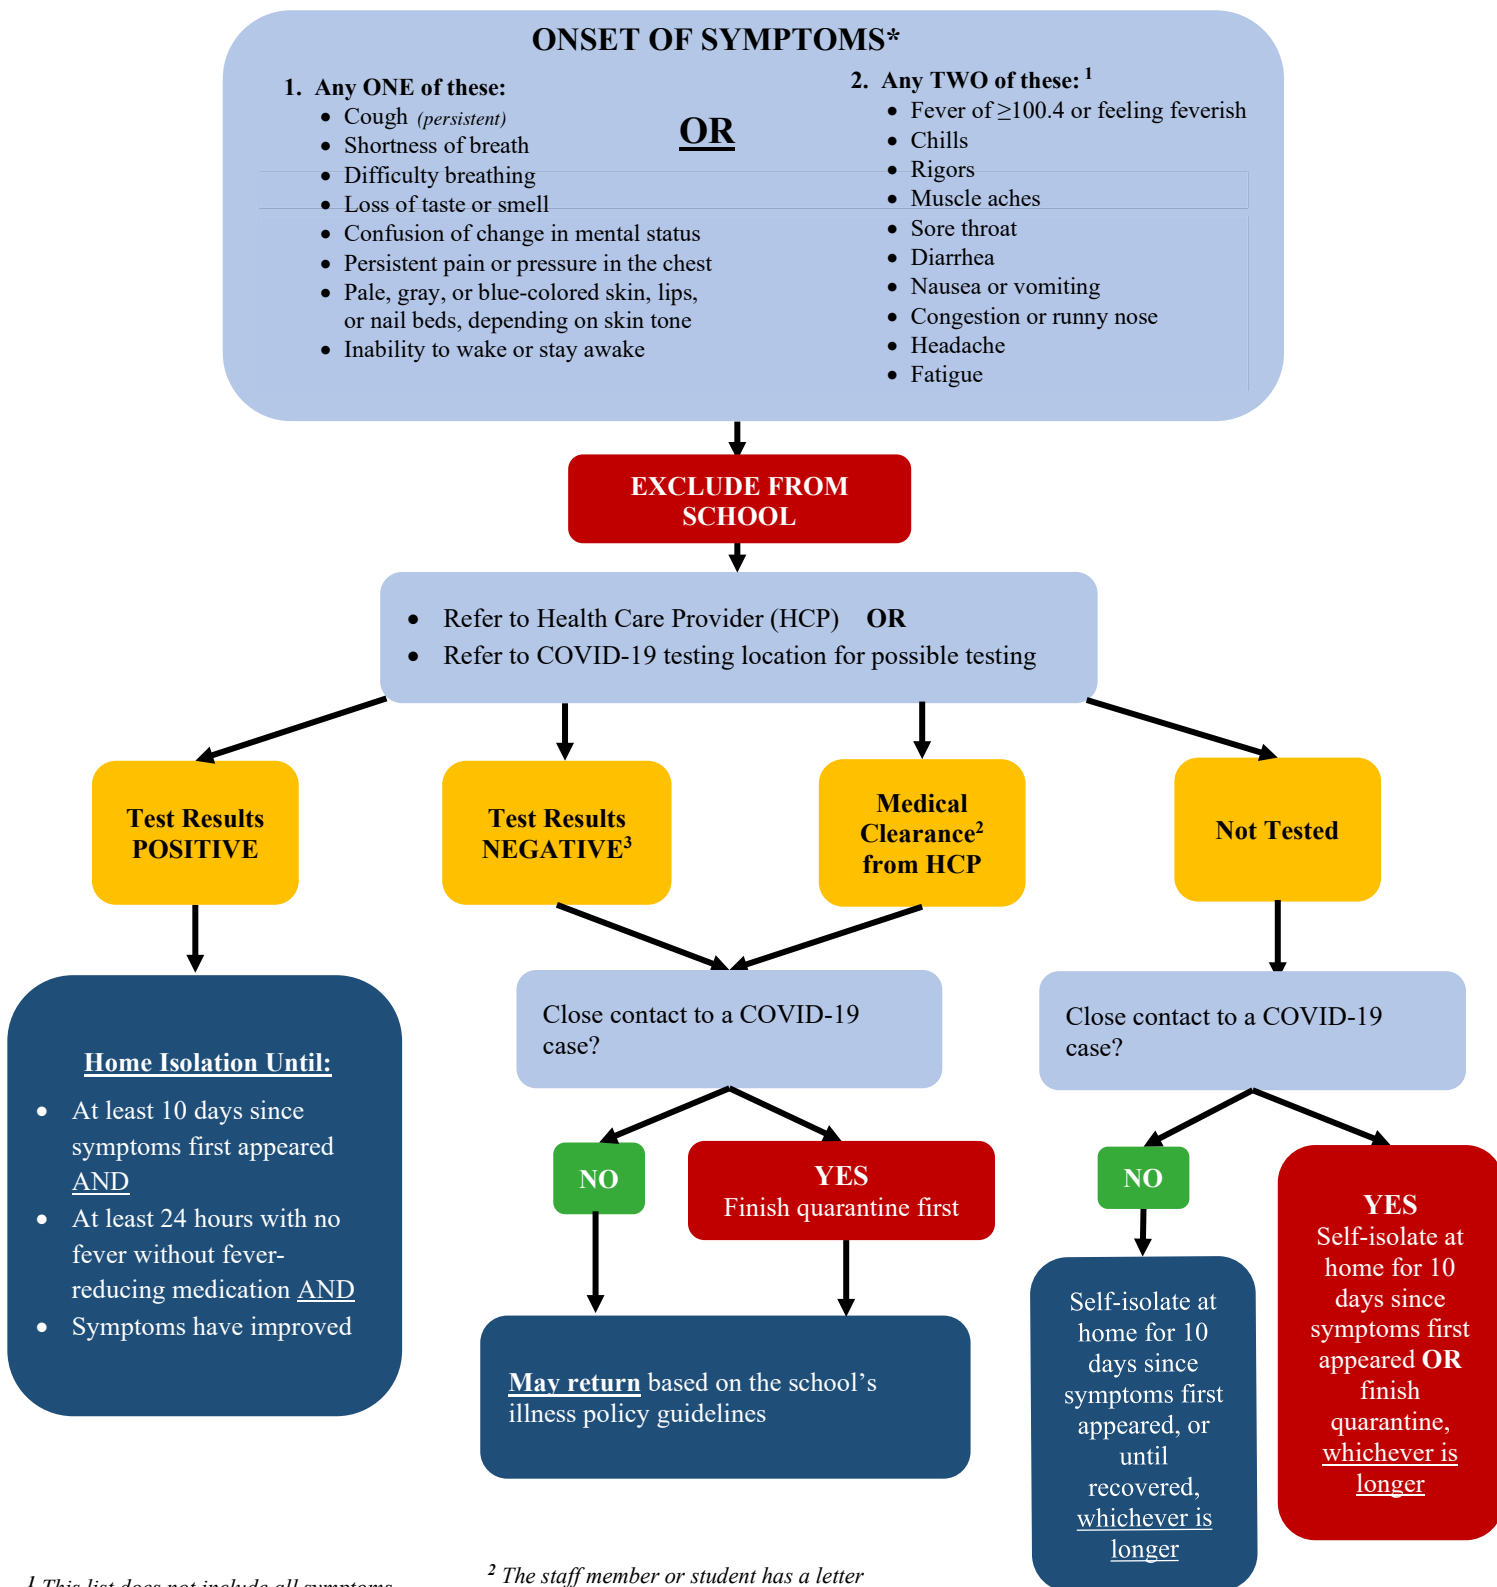

**Figure 1. Flowchart for Symptomatic Individuals (Students or Staff Members)**

<sup>1</sup> This list does not include all symptoms of COVID-19. It is possible for people with COVID-19 to have no, or almost no, symptoms. If you have any new symptom, you are encouraged to seek testing or consult your HCP for an alternative diagnosis.

<sup>2</sup> The staff member or student has a letter that 1) states the individual is not considered to have COVID-19, and 2) gives medical permission for the individual to return to school, and 3) provides a specific return to school date, and 4) is signed or countersigned by an NP, PA, MD or DO.

<sup>3</sup> If a person is symptomatic and has a negative COVID-19 test for return to school, they should provide an official lab result including patient name, date of birth, laboratory name, test type, date of test and test result.
