

COVID-19 PROTOCOL UPDATE AS OF MARCH 3, 2022

updated 5-25-22

COVID-19 Positive Cases:

- Positive cases are required to stay home for 6 days.
- May return upon feeling well and fever-free for 24 hours without medication.
- Upon return, they must wear a mask for 5 days.
- If unable to wear a mask, they may return on the 11th day.
- Until further notice, an email notification will be sent home regarding a positive case in the classroom.

Positive cases are posted on the school's website per MDHHS requirements.
Walden Green's COVID Liaison will notify the family of the return date and any details.

Household Close Contacts:

- Fully vaccinated or positive cases within 90 days may attend school.
 - They must wear a mask for 11 days.
 - If unable to wear a mask, they may return on the 11th day.
 - Monitor for symptoms.
 - If symptomatic, remain home or test for COVID-19 and provide test results.
- Unvaccinated may return on the 11th day.
 - Upon return, they must wear a mask for 5 days.
 - If unable to wear a mask, they may return on the **15th** day.
 - Monitor for symptoms.
 - If symptomatic, remain home or test for COVID-19 and provide test results.
 - If multiple positive household cases, that will be addressed individually.

Walden Green's COVID Liaison will notify the family of the return date and any details.

There will be no contact tracing or emailed notification of close contacts.

Reminder: Please report any COVID-19 symptoms and any positive household cases to Walden Green's COVID Liaison.

**Symptomatic: If a student or staff member has symptoms from the Flowchart for Symptomatic Individuals we will follow these protocols: the person will stay out of school for 5 days (count starts at zero), or test for COVID-19 and return upon a negative result or provide a current physician's medical clearance (form will be provided).
The person should continue to monitor themselves for symptoms for 14 days.**
